favor vote aye, opposed vote nay. Record.

CLERK: 32 ayes, 0 nays, Mr. President, on the motion to return the bill.

SPEAKER WITHEM: The bill is returned. Senator Landis, on your amendment.

SENATOR LANDIS: Thank you. I am asking now for the adoption of the amendment that I previously described. Let me remind the body that these are modest adjustments. What they do is to reachieve a historical balance that we've previously had in the past, and one of the net outcomes of adopting this will be to allow people who've gone through bankruptcy or who have had a judgment...an execution of judgment against them to continue to survive, hold a job, work, and not become a drain on society because they get to keep enough so that they make a fresh start and don't fall on public support for their livelihood, and with that, I would ask for adoption of the amendment, Mr. Speaker.

SPEAKER WITHEM: Senator Landis, do you have closing? Closing is waived. The question is the adoption of the amendment. All in favor vote aye, opposed vote nay. Record, Mr. Clerk.
